

A Message From The President

Dear CPFRA Members,

I can't believe 2025 is already coming to a close. This year, we were kept busy planning Fireman's Memorial Sunday, and we were excited to host the biennial CPFRA Ball. It was a great evening, with fun had by all who attended.

With the new year approaching quickly, we are beginning to shift gears and prepare to process medical claims. This year, our Medical Claims Committee will require members to fill out updated contact information and beneficiary forms to ensure timely payment. This information is vital for us to operate efficiently.

In closing, I would like to wish everyone a happy and healthy Holiday Season.

CPFRA President,
Robert Burgess III

A Message From The Vice President

Dear CPFRA Members,

It has been another exciting and productive year for the Relief Association. We hosted our biennial Firefighter's Ball on November 22, and a great time was had by all. Our investments keep growing, as does our membership. We had another "100 percent" join rate by the recruit class of 2025. That being said, the CPFRA has realized that our contact/beneficiary information is seriously lacking and needs updating. We are pushing for ALL members, active and retired, to please fill out and submit the contact/beneficiary forms.....even if you've done so in the recent past.

I'd like to thank Jon Warren for his years of service with the CPFRA as both a board member, and as President from 2021 – 2025. A job well done.

I'd also like to extend my condolences to the families of the four Cranston Firefighters that have passed away in the last year. Those members are: Lieutenant Donald Bolton, Deputy Chief Herbert Bassett, Lieutenant Stanley Davies, and Captain Daniel Villani.

Finally, I'd like to wish you all a safe and happy Holiday Season. Merry Christmas, and Happy New Year!

CPFRA Vice President,
Christian Lamothe
